Start Date :	May 13 - June 24 2021
End Date :	August 23 - September 6
Job Prerequisites :	Rides Team Member : Upper intermediate Operations Team Member : Advanced
Job Description :	<p>Rides Team Member : You will be working with guests and operating rides at the various amusement park rides. Must handle guest services and satisfaction with a positive attitude, understanding, and compassion in a friendly and helpful way. Must like dealing with people and be friendly and have an outgoing personality. Follow all safety policies, interact positively with the guests and other crew members. You will be standing the entire shift and requires moderate lifting and mobility. Duties include, but are not limited to, assisting guests during the loading and unloading process and ensuring guest safety by checking their seat belts or lap bars, etc. You will be working outside in the hot summer sun and be exposed to various weather conditions. Must have a great team attitude, and be a dependable, hard-working, friendly and very trustworthy and honest individual. Additional tasks as requested by management. You may be cross-trained in other areas to assist as needed. The position is for a minimum of 32 hrs per week (unless there is extreme weather causing the Park to close). During very busy weeks you will be required to work 40 hrs per week (approx. May 25 through August 23). Most positions require little or no experience. All positions involve being on your feet and remaining active while interacting with our guests. Positions are indoors, semi-outdoors or completely outdoors. Most indoor positions are not air-conditioned. You must be able to tolerate the heat and humidity of the Iowa summer. No matter what the weather conditions, all positions are vital to developing the fun culture our guests have come to expect here when visiting Adventureland Park.</p>
